PRESS RELEASE

PECB has signed a partnership agreement with Jabukile Consultancy

October 19th, 2018 – PECB, a reputable certification body, has pleasingly engaged into a partnership with Jabukile Consultancy to upgrade its presence in South Africa by offering the distribution of PECB training courses on a wide range of international standards.

“We are looking forward to working with Jabukile Consultancy to integrate their expertise and help customers achieve higher levels of satisfaction. We are very excited for this agreement, and we have always welcomed partnership opportunities with such companies that are consistent with and appropriate to our mission,” said Eric Lachapelle, the CEO of PECB. “The relationship with Jabukile Consultancy represents a powerful opportunity for PECB to significantly expand our presence in South Africa, a vibrant and very important market, and extend it to other parts of the world over time,” concluded Lachapelle.

Prosper Mgijima, Marketing Director, Jabukile Consultancy

This development is in line with our strategy to increase our footprint and offerings on the African continent. We are excited to be partnering with PECB to bring the internationally recognised ISO accredited courses to South Africa. We believe that we will help empower individuals and ultimately bring success to the organisations they represent.

About PECB

PECB is a certification body for persons, management systems, and products on a wide range of international standards. As a global provider of training, examination, audit, and certification services, PECB offers its expertise on multiple fields, including but not limited to Information Security, IT, Business Continuity, Service Management, Quality Management Systems, Risk & Management, Health, Safety, and Environment.

We help professionals and organizations to show commitment and competence with internationally recognized standards by providing this assurance through the education, evaluation and certification against rigorous, internationally recognized competence requirements. Our mission is to provide our clients comprehensive services that inspire trust, continual improvement, demonstrate recognition, and benefit society as a whole.
